One-Lesson

A Study of the Gospel

The Gospel

Mankind has a problem!

All of us have committed offenses and have done things that violate our conscience and God's commands. *Read Romans 5:12, James 4:17*

The penalty for sin is death. *Read Romans 6:23*

There is good news (Gospel means good news)!

Jesus was God coming in flesh to die for our sins and pay the penalty for us because of His great love. *Read I Timothy 3:16, John 3:16, I Cor. 15:3*

Jesus died a cruel death on the cross, was buried in a tomb, and rose again. *Read John 19:16-18; 40-42, Luke 23:50-53, Matthew 28:1-6*

The Response

When the Apostle Peter shared the Gospel, the men of that time responded by asking what they should do. *Read Acts 2:22-23; 32; 36-37*

The response was to repent (turn away from sin to Jesus), be baptized (means "to immerse") in the name of Jesus, and receive the Spirit! *Read Acts 2:38-39 / Spirit Infilling Read Acts 2:1-4*

Those who believed obeyed his words! *Read Acts 2:41*

The Call

God has called you to experience His gospel through faith! *Read Romans 6:4, Romans 8:11, I Peter 4:17*

Action Points: Make it your desire to obey the Gospel! Turn to God with all of your heart in prayer. Find someone who will baptize you in the name of Jesus. Ask God to fill you with His Holy Spirit just like in Acts 2.
